The Black Swan offers 45 individually styled bedrooms, including a selection of Feature Rooms and a Junior Suite all located in the oldest part of the hotel, many with views of the market square.

The newly refurbished Classic Rooms are mostly located in the garden wing of the hotel and offer superb views of our pretty walled gardens which are overlooked by the nearby church. These rooms are perfect for anyone seeking total peace and quiet.

Restaurant

Yorkshire is renowned as a county that produces some of the finest foods in the UK. Nowhere is more recognised than the Black Swan Hotel which is set right in the heart of North Yorkshire.

Our Australian born Head Chef, Paul Peters, and his team have rich pickings from this county's abundant basket of produce. When the ingredients are combined with Paul's creativity he serves dishes with a twist.
